

Slime search

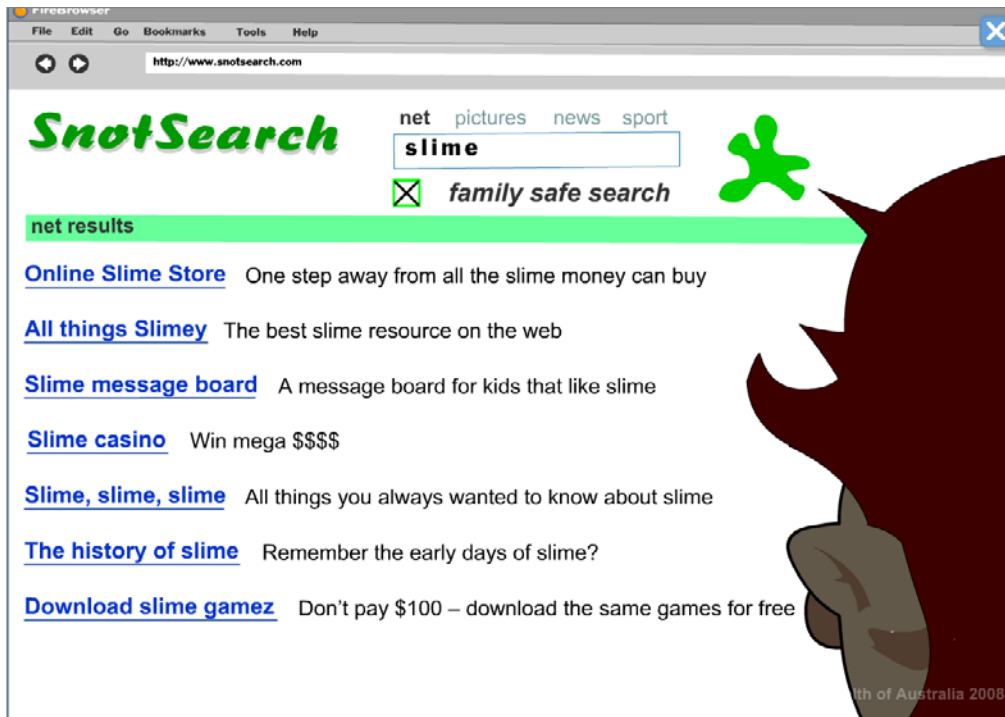

Do a search yourself.

Like the cousins you are doing a search on slime. Of course, you will remember to select the family safe search button before you start.

You should examine each entry in the search results and decide whether you think it would give you what you want to know. Choose a useful site.

The sites are ...

Online Slime Store One step away from all the slime money can buy

All things Slimey The best slime resource on the web

Slime message board A message board for kids that like slime

Slime casino Win Mega \$\$\$\$

Slime, slime, slime All things you always wanted to know about slime

The history of slime Remember the early days of slime

Download slime gamez Don't pay \$100—download the same games for free

Remember to choose useful sites.

Most of these sites will probably give you useful information. You should not have chosen the Online Slime Store—they only want to get you to spend money. Also, you should not have chosen Download slime gamez—they could contain a virus or spyware—nor should you have chosen Slime casino as it is a gambling site.
