

Internet Safety Awareness Presentations

Registration form

The Australian Communications and Media Authority (the ACMA), as part of its Cybersafety Outreach program, delivers free general awareness presentations for parents, students and teachers. These presentations cover topics including:

- > **effective strategies for helping keep young people safe online**
- > **the ways children use the internet and emerging technologies**
- > **potential risks faced by children when online such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content.**

Each presentation is approximately 60 minutes, excluding question time. To host an internet safety presentation at your school please select the type(s) of presentations you would like to hold and your contact and school details.

Presentation type (tick one or more)

Parent (minimum of 25 parents)
